

American Brain Tumor Association

July 12, 2007

Mr. Kevin E. Dooley  
316 Pioneer Ridge Drive  
Wentzville, MO 63385-4473

Dear Kevin:

The Board of Directors of the American Brain Tumor Association is pleased to dedicate a two year Fellowship in memory of your mother, Marsha Mae Moeslein. The doctor to whom the Fellowship has been awarded is Haoqiang Ying, PhD. This is our way of thanking you for your support and encouragement of our research programs.

This Fellowship has been established at Dana-Farber Cancer Institute in Boston, MA. Any presentations made and papers published during the Fellowship period would carry this fellowship attribution:

**Marsha Mae Moeslein/ American Brain Tumor Association Fellowship**

The title of the research project is "The role of putative tumor suppressor MIG6 in glioblastoma development".

You may want to submit the attached press release to your local newspapers to let your community know about this distinction.

Kind regards,

Naomi Berkowitz  
Executive Director
